

# 1.5 Mile Course (untimed)

**Special Course Instructions:** If you plan to walk the 1.5 please be sure to line up behind the runners at the start line. The course will split from the 5K/10K at Utah and Fifth Street. The 1.5 mile will turn onto Fifth and the 5K and 10K will continue on Utah. The 1.5 mile will then cross back over Utah at Fourth Street. Please watch for runners and walkers when crossing Utah. The course will rejoin with the 5K/10K at Fifth Street and Kentucky Avenue. Please watch for passing runners and follow the directions of the course guides to the 1.5 mile finish line.

# 5K Course

**Special Course Instructions:** If you plan to walk the 5K, please be sure to line up behind the runners at the start line. The course will split from the 1.5 mile course at Utah and Fifth Street. The 5K course will continue on straight up Utah. Please follow directions from course officials, especially when crossing major roads- Porter Wagoner and Broadway. The 10K course will split off from the 5K at Nebraska and Cass and will rejoin the 5K course at Webster and Nebraska. Please watch for passing 10K runners and give them space to pass if needed. There is a brief part of the course that runners will run going out and coming back. Please watch for runners going the opposite direction.

# 10K Course

**Special Course Instructions:** The course will split from the 1.5 mile course at Utah and Fifth Street. The 5K and 10K course will continue on straight up Utah. Please follow directions from course officials, especially when crossing major roads - Porter Wagoner and Broadway. The 10K course will split off from the 5K at Nebraska and Cass and will rejoin the 5K course at Webster and Nebraska. There is a brief part of the course that runners will run going out and coming back. Please watch for runners going the opposite direction.
