

**Ozarks Medical Center**  
The Right Care, Right Here

# Practice **made** Perfect

## OPPORTUNITY

Join us in the beautiful Ozarks! We invite you to explore an exceptional opportunity to practice in a collaborative clinic setting at the Ozarks Medical Center Behavioral Healthcare Clinic.

Our facilities include a large Behavioral Healthcare Clinic with offices in West Plains and Mountain Grove and a 22-bed inpatient unit at the main hospital facility. Our team-oriented clinicians include psychiatrists, psychologists, social workers, nurse practitioners, nurses and counselors.

OMC is dedicated to delivering efficient and effective mental healthcare services in the least restrictive environment possible. We offer comprehensive psychiatric treatment to people of all ages and have been recognized for our work with children and youth, earning the Consumers Choice Award from the Missouri Department of Mental Health.

## ABOUT OMC

OMC is a 114-bed, not-for-profit medical referral center serving an 11-county area in south central Missouri and north central Arkansas with its main facility located in beautiful West Plains. OMC employs approximately 1,100 people and serves a population base of 150,000. With more than 100 doctors, OMC has a strong core of primary care physicians as well as numerous specialists.

OMC recently opened a new state-of-the-art Emergency Department that features 16 fully-private rooms and is well-equipped with the latest in emergency health technology to best treat the 20,000 patients the ED sees annually. In addition to its established heart program, OMC's unique line of services includes a 24-hour-a-day, seven-day-a-week orthopaedic surgical program. West Plains is also the national headquarters for Air Evac Life Team, a 14-state network of helicopter emergency health transport. With a base here at OMC, we are able to get our patients in and out quickly based on their needs.

OMC is accredited by the Joint Commission on Accreditation of Healthcare Organizations.

## OUR COMMUNITY
